

The Goodness of God

Seth Irby and Josh Irby ©2009 ViRay Publishing Inc

Verse 1

My God is a giver, an overflowing river
Pouring his lavish love on us
Season after season we give him every reason
To stop, but he never does

Chorus

Oh-oh-oh, the goodness of God
Is flooding my heart with peace
Oh-oh-oh, the goodness of God
Is bringing me to my knees

Verse 2

My God is a father, who ransoms sons and daughters
Pouring his costly love on us
His greatest treasure given, so we can be forgiven
His Son crushed to make us whole

Bridge

We say... We believe you are good
We believe you are good, you are good
We believe you are good
We believe you are good, you are good
